

REQUEST FOR TEMPORARY WATER SERVICE

TEMPORARY ON/OFF & RELEASE OF LIABILITY

I _____, on behalf of the property owner _____, and my firm (if applicable) _____, (Realtor) request for water to be turned on at _____, (Address) Golden Hills, Tehachapi, California on ___ / ___ / ___ (date) at the time circled below. I am aware that the District charges a fee for this service and understand that an adult (over the age of 18) must be present when employees of the Golden Hills Community Services District arrive at the property to restore service. Failure to have such a representative physically at the premises when Golden Hills CSD staff arrive at the property within the identified time block will result in the water service NOT being restored and an additional fee required prior to a second attempt to restore service. By signing this document I acknowledge that I am liable for an additional \$45 per trip recall charge if I am unavailable and/or provide no representative during the pre-scheduled time block.

If meter has been pulled, there will be a \$150.00 fee to temporarily reinstall a jumper to supply water for inspection and/or appraisal

I acknowledge my liability for any and all damages and/or costs resulting from water service being activated to the property address identified including, but not limited to, open faucets, leaks and freezing. I also understand that an emergency requiring immediate response of District staff could occur and my providing contact information will allow notification of such an event allowing rescheduling. Furthermore, by my signing this document I formally indemnify and hold harmless Golden Hills Community Services District, its employees, agents, and hires for actions taken upon my request.

Recognizing this is a temporary on/off service request, I understand and agree that water service will be restored for no greater than a forty-eight (48) hour period.

Service will be temporarily activated during our normal business days on ___/___/___ between the hours of 7:00-8:00 A.M., 1:00-2:00 PM, or 4:00-5:00 P.M. (Circle Preference) and turned off within a 48-hour period on ___/___/___.
