

**APPLICATION FOR TEMPORARY HYDRANT METER  
TO PROVIDE NON-POTABLE WATER FOR CONSTRUCTION PURPOSES**

**TEMPORARY HYDRANT METER RENTAL:**

Hydrant meter to be used for compaction of soil for grading. To be used only if applicable meter deposits and installation fees have been paid. Deposit refunded upon return of fully operational hydrant meter.

**FEES:**

Refundable deposit <b>(SEPARATE CHECK!)</b>	\$ 800.00
Installation charge	\$ 150.00
Daily rental rate	\$ 10.00
Water use charges per 100 cubic feet	\$ 5.00
Relocation	\$ 100.00

**ILLEGAL WATER CONNECTION/THEFT \$ 2,500.00**

Theft from a fire hydrant or the bypassing of a water meter. Fines could be considerably more if it is determined that a significant health risk occurred.

**TEMPORARY SERVICE FEES:**

Turn on/off (regular hours)	\$ 45.00
Turn on/off (after normal district duty hours)	\$ 180.00

I, \_\_\_\_\_, am requesting a temporary hydrant meter at:  
(name)

\_\_\_\_\_  
(location)

My contact number is: \_\_\_\_\_

I understand and agree to pay to the Golden Hills Community Services District ("District") the cost of all services requested by me in compliance with the fees schedule noted above, and, further, I agree to pay all fees associated with my request for service in advance of this service being rendered by the District. I further understand that the District is not certifying this water as potable as it is being drawn from a fire hydrant and I assume total responsibility for the temporary hydrant meter until I call to cancel the term of my service: to include loss, theft, and/or damage.
