Said general plan and said conditions now made applicable to said Tract are as follows:

I

The real property subject to this Declaration is situated in the County of Kern, State of California, and is more particularly described as follows:

Lots 1 through 204 both inclusive, of Tract 3224, Kern County, California as per Plat thereof recorded May 9, 1969 in Book 17 Pages 151 to 159 inclusive, Maps of said County.

II

Wherever used in this Declaration, the following terms all have the following meaning:

(a) "Said Tract" means the property described in Article I hereof.

(b) "Building", "structure", and "outbuilding" shall include both the main portion of said structures and all projections therefrom.

(c) "Lot" means one of the numbered parcels on the map of said Tract recorded in the office of the County Recorder of Kern County, California.

(d) "Street" means any street, highway or other thoroughfare shown on the map of said tract.

(e) "Said general plan" means the general plan herein provided for.

III

(a) No building, garage, patio, outbuilding, fence or other structure shall be constructed, erected, altered, remodeled, placed, maintained, or be permitted to remain on said Tract or any portion thereof unless and until three complete sets of plans and specifications therefore, including finished grading plans, plot plan showing location of such structure on the building site, floor and roof plan, exterior elevations, sections and salient exterior details and color scheme including the type and location of hedges, walls and fences, shall have been submitted to and approved in writing by any two (2) members of the "Architectural Committee," which shall be composed of not more than three members, selected as hereinafter set forth.

(b) The members of the Architectural Committee shall be initially selected and appointed by declarant to serve with compensation. Any member of the Architectural Committee may be removed at any time, with or without cause, and his successor appointed by declarant or the record owners of a majority of the lots in said tract by a duly recorded instrument changing said committee. The Architectural Committee shall be initially composed of the following three members:

EUGENE MOORE
JACK OSBORN
S.K. FAIR

In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor.

(c) Said plans and specifications shall be delivered to the office of Declarant at Golden Hills, or at such other place as shall be designated by Declarant.

(d) Said Architectural Committee shall have the power and authority to approve and disapprove the plans and specifications, and approval of said plans, specifications, and plot plan may be withheld not only because of noncompliance with any of the specific covenants, conditions and restrictions contained in this Declaration, but also by reason of the reasonable dissatisfaction of the Committee with the grading plan, location of the structure on the lot or building site, the finished ground elevation, the color scheme, finish, design, proportions, architecture, shape, height and style of the proposed structure or altered structures, the materials used therein, the kind, pitch or type of roof proposed to be placed thereon, the location of air conditioning, evaporative coolers, other mechanical equipment or devices, roof jacks, vent caps and other roof outlets, all of which shall be designated on the plans and specifications, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Committee, will render the proposed structure inharmonious or out of keeping with the general plan of improvement of said Tract or with

the structures erected on other building sites in the said Tract. Said Architectural Committee may, if it so desires, adopt rules governing its procedure.

(e) The approval of the committee of any plans or specifications submitted for approval as herein specified for use on any building site shall not be deemed a waiver by the Committee, of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other building sites.

(f) The approval, disapproval or conditional approval of such plans, specifications and plot plans shall be in writing and delivered to the applicant with one set of the submitted documents, provided, if the Committee fails to approve or disapprove such plans and specifications and plot plan within thirty (30) days after said plans, specifications and plot plan have been submitted to it, it shall be presumed that the committee has approved said plans, specifications and plot plan as submitted. If, after such plans and specifications and plot plan have been approved, the building, fence, wall or other structure shall be altered, erected or maintained upon the lot or building site otherwise than as approved by the Committee, such alteration, erection and maintenance shall be deemed to have been undertaken with the approval of the Committee having been obtained as required by this Declaration.

(g) Any applicant, if dissatisfied with the decision of the Architectural Committee, may appeal to the Declarant whose decision on the subject shall be final. The right of appeal by the property owner must be exercised in writing within 10 days after notification of the decision of the Architectural Committee provided, however, that the Declarant may extend the time for such appeal or grant a hearing thereon after the expiration of said time in its discretion.

(h) At any time, the record owners of a majority of the lots in said tract, through a duly recorded instrument, may withdraw from the Committee or restore to it any of its powers and duties.

(i) The powers and duties of the Architectural Committee shall cease after June 30, 1985, unless prior to said date and effective thereon a written instrument shall be executed by the record owners of a majority of the lots in said Tract and duly recorded, appointing a representative or representatives who shall thereafter exercise the same powers and authorities previously exercised by the Architectural Committee, and providing the procedure for appointing his or their successors.

IV

No landscaping shall be permitted to obstruct the view of the golf course. No trees shall exceed by fifteen (15) feet the roof line of the residence on any lot.

VI

Declarant hereby reserves and further declares that upon the conveyance of any lot in said Tract, there is reserved a non-exclusive easement for the benefit of all lot owners for a right of way for equestrian purposes across those portions of the lots shown on the Certificate of Dedication on the recorded map of said Tract.

VII

The owner of each lot of said Tract shall keep such lot free and clear of all weeds and rubbish and do all other things necessary or desirable to keep the premises neat and in good order and it is hereby agreed that in the event of the default in the performance of this covenant, the Declarant, its successors or assigns, hereby reserve the right to enter upon the property of such owner and remove all weeds and rubbish and do all other things necessary to place said property in a neat and orderly condition in accordance with this covenant, and the expense thereof shall become due and payable from such owner to the Declarant, its successors or assigns, within five (5) days after written demand thereof. All areas for clotheslines, wood piles, services or unsightly storing shall be properly screened by means of permanent fencing.

VIII

Said Tract shall not, nor shall any part thereof, nor any lot or building site therein, be used for the purposes of mining, quarrying, drilling, exploring for, taking or producing therefrom, water, oil, gas or other hydrocarbon substances, minerals or ores of any kind.

IX

No noxious or offensive activity shall be carried on upon said Tract or any part thereof, or shall anything be done or maintained thereon which may be or become an annoyance or nuisance to the neighborhood.

X

(a) The covenants, conditions and restrictions herein contained shall run with said land and shall be binding and in force and effect until June 30, 1985, for the mutual benefit of all the lots and building sites in said Tract, after which time said conditions and covenants shall be automatically extended for successive periods of ten years each, unless the owners of a majority of the lots in said Tract, by executing and acknowledging an instrument in writing, terminate or change said conditions and covenants which shall be duly recorded with the Kern County Recorder at any time prior to the expiration of these restrictions, or any renewal period hereof.

(b) The easements and reservations herein contained shall be perpetual unless released by the declarant grantor and/or those persons or corporations to whom such rights have been assigned and conveyed as herein provided.

XI

(a) Any and all of the rights, powers and reservations of Declarant and/or the Architectural Committee herein contained, may be assigned to any other corporation or association which will assume the duties of Declarant and/or the Architectural Committee pertaining to the particular rights, powers and reservations assigned, and upon any such corporation or association evidencing its consent in writing to accept such assignment and assume such duties. It shall, to

the extent of such assignment, have the same rights and power and be subjected to the same obligations and duties as are given to and assumed by Declarant and/or the Architectural Committee herein.

(b) Invalidation of any of these conditions by judgment or court order shall in no wise affect any other condition, which shall remain in full force and effect.

XII

The violation or breach of any of the covenants, conditions, restrictions or reservations herein contained shall give the Declarant and/or the Architectural Committee and/or any owner or owners of lots or building sites in said tract the right to prosecute a proceeding at law or in equity against the person or persons who have violated or are attempting to violate any of the covenants, conditions, restrictions and reservations, to prevent or enjoin them from so doing, to cause said violation to be remedied, or to recover damages for said violation.

XIII

A breach of any of the foregoing conditions, covenants, and/or restrictions shall not defeat or render invalid the lien of any mortgage, or deed of trust in good faith, and for value, as to said property or any part thereof; but such conditions, covenants, conditions, and/or restrictions shall be binding upon and effective against any owner of any lot or lots in said property whose title is acquired by foreclosure, trustee's sale or otherwise.
