

New Meter Pricing and Necessary Paperwork to be turned in

Fill out a meter sizing worksheet

Obtain 1 set of the Plumbing fixture plan (House schematic showing all fixtures)

Obtain 1 set of the fire sprinklers system plan. **\$250**

Exhibit B with the 1 set of the septic plans and 1 set Percolation Test: **\$100**

An application will also be required to open the account

Please do not turn in full size plans as we cannot send them off to the engineer that way. 8 ½ x 11 COPIES WILL BE NEEDED. They will need to be completely legible otherwise they will be kicked back. You can also email a clear copy to staff@ghcsd.com. If emailing, only one copy will be needed of each.

	¾"	1"
Current meter installation fee:	\$1,250	\$1,500
Current capacity fee:	<u>\$7,980</u>	<u>\$14,406</u>
Total	\$9,230	15,906

Sign up fees:

Deposit:	\$175	Needs to be a separate check
App Fee:	\$45	Can be combined with the meter payment
